WARNING: Any changes or modifications to this device not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. This equipment complies with the FCC radiation exposure limits set forth for an uncontrolled environment. This device must not be co-located or operated in conjunction with any other antenna or transmitter.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

IMPORTANT SAFETY INSTRUCTIONS

Not suitable for children under age three. Contains small parts, which may constitute a choking hazard.

Long-term exposure to loud audio may cause hearing loss. To prevent possible hearing damage, do not listen at high volume levels for long periods.

Electrical products, cables, batteries, packaging, and the manual, should not be mixed with general household waste. For proper recycling, please take these products to a designated collection point, where they will be accepted free of charge or return them to your local retailer. Correct product disposal saves resources and prevents negative effects on human health and the environment.

To prevent possible harm to the environment or human health from uncontrolled waste disposal, dispose of defective rechargeable batteries only at designated collection points, or return them to your specialist dealer.

WARNINGS

- Set your sound source to low volume before using these headphones.
- Do not use these headphones when operating a motor vehicle, a bicycle, heavy machinery, or where your inability to hear external sounds may present a danger to you or others.
- Using these headphones limits your ability to hear noises around you, regardless of listening volume.
- Keep away from fire, water, and high voltage equipment.
- Do not modify, disassemble, open, drop, crush, puncture, or shred these headphones.
- Do not heat above 113°F (45°C).
- Do not short-circuit the internal battery or its cells.
- In the event of cell leakage, do not allow the liquid to come in contact with the skin or the eyes.
- The internal battery is not end-user replaceable.

ВАЖНИ УКАЗАНИЯ ЗА БЕЗОПАСНОСТ

Не е подходящо за деца под тригодишна възраст. Съдържа малки части, които могат да причинят задушаване.

Продължителното излагане на силни звуци може да доведе до загуба на слуха. За да се предотврати увреждане на слуха, не слушайте продължително време при високи нива на силата на звука.

Електрическите продукти, кабели, батерии, опаковки и ръководства не трябва да се смесват с общите битови отпадъци. Моля, с цел подходящо рециклиране, предайте тези продукти в събирателен пункт, където те ще бъдат приети безплатно или ги върнете на Вашия местен търговец на дребно. Правилното унищожаване на отпадъците пести ресурси и предотвратява отрицателния ефект върху човешкото здраве и околната среда.

За да предотвратите възможни щети върху околната среда или човешкото здраве от неконтролирано изхвърляне на отпадъци, изхвърляйте дефектната акумулаторна батерия в специалните пунктове за събиране или я върнете на специализиран дилър.

ПРЕДУПРЕЖДЕНИЯ

- Преди да използвате слушалките, настройте източника на звука на ниска сила на звука.
