

Important Safety, Compliance and Warranty Information

English

Read Manual Before Product Use.

BATTERY WARNING! Improperly replaced batteries may present a risk of leak or explosion and personal injury. Risk of fire or explosion if the battery is replaced by an incorrect type. Ensure batteries are installed correctly by following the instructions provided. Mistreated rechargeable batteries may present a risk of fire or chemical burn. Do not disassemble or expose to conducting materials, moisture, liquid, or heat above 54° C (130° F). A battery subjected to extremely low air pressure may result in an explosion or the leakage of flammable liquid or gas. Do not use or charge the battery if it appears to be leaking, discolored, deformed, or in any way abnormal. Do not leave your battery discharged or unused for extended periods. Do not short circuit. Your device may contain an internal, rechargeable battery that is not replaceable. Battery life varies with usage. Non-operational batteries should be discarded according to local laws. If no laws or regulations govern, dispose of your device in a waste bin for electronics. Keep batteries away from children.

WARNING! The power supply is for indoor use only. Only use the power supply included with your product. Do not attempt to repair or use a damaged power supply. Do not immerse the power supply in water or subject it to physical abuse. Inspect the power supply regularly for cable, plug, and casing damage. Connect power supply to a properly wired and grounded electrical outlet.

Use Guidelines: Safe & Proper Use of Your Product

- **WARNING!** The product contains small, detachable parts, which may cause choking, personal injury, or death, especially in children. Please exercise care in the use and handling of small parts, and keep them away from children under 4 years of age.
- Do not open or modify the product. No user-serviceable parts are inside. Do not disassemble or attempt to service this product.

- Use only Logitech-provided power supply devices with this product. Do not modify the power supply. Do not charge your product during an electrical storm.
- Use the product with listed/certified ITE computers and accessories.
- Connect power supply or power cord to a properly wired and grounded electrical outlet.
- This is not a Children's Product and is not intended for use by children under 14 years old.
- Do not immerse product in any liquid or expose to moisture. Moisture will corrode the inner electronics.
- Do not use near a heat source.
- Long periods of repetitive motion using the product may be associated with nerve, tendon or muscle injury in your hands, wrists, arms, shoulders, neck or back. See a qualified health professional if you believe these medical conditions to exist. Also, read guidelines at www.logitech.com/comfort.
- This product is safe under normal and reasonably foreseeable operating conditions. If product is operating improperly, call Logitech support. Product must be returned to Logitech for any service or repair.
- Any changes or modifications to the product that are not expressly approved by Logitech may void the user's authority to operate the equipment and your warranty.
- This product may use a non-serviceable, rechargeable battery, which should last the duration of the product's warranty period under normal use. Do NOT change the battery yourself. If the battery has died and you do not want Logitech to replace it, you should follow the disposal instructions in the documentation that accompanies your product. Also, consult local laws and regulations for the proper disposal of batteries and electronic devices in your region. If no local laws exist governing electronic waste disposal, place your product and its battery in a waste bin for electronic devices.
- Refer to product Quick Start Guide for use instructions.

Logitech Compliance. The product complies with all applicable requirements for Restriction of Hazardous Substances (RoHS) and Waste Electronic and Electrical Equipment (WEEE).

For Product Safety, EMC, RF, Energy, RoHS and WEEE information, go to www.logitech.com/compliance. Maintenance is not required for product compliance.

Packaging, batteries, electronic and electrical equipment and their accessories should not be disposed of with household waste. Wherever possible, they should be segregated and brought to an appropriate collection point to enable recycling and avoid potential impacts on the environment and human health. For more information, contact your local authorities or place of purchase, or visit www.logitech.com/recycling.

Logitech Limited Hardware Warranty - A Summary

Logitech warrants that its hardware product shall be free from defects in materials and workmanship for the length of time identified on the product package beginning from the date of original retail purchase, but in no instance shall this be less than two (2) years. See support.logitech.com for specific warranty information about your product and procedures to act on a warranty claim.

Logitech's entire liability and your exclusive remedy for any breach of warranty shall be, at Logitech's option, to repair or replace the product, or to refund the price paid, provided that the hardware is returned to the point of purchase or such other place as required by law along with a receipt. Warranty protections are in addition to rights provided under local consumer laws and may vary among countries. See the full warranty information to know your consumer rights and the additional protections provided by this product warranty.

Logitech Address: Logitech, Inc., 3930 North First Street, San Jose, CA 95134, USA.
