GETTING STARTED

CHARGE YOUR DEVICES

- 1 Please fully charge the Razer Hammerhead V3 HyperSpeed before using it for the first time. For best results, connect the charging case directly to the USB port of your computer using the charging cable provided.

- 1 Charging the earbuds using any port on the PS5™ console only works when the console is not in Rest Mode. When the case is fully charged, the status indicator will stay lit for 1 minute and then fade out.

CONNECT TO YOUR EARBUDS

A. VIA BLUETOOTH

- 1 When trying to connect your Razer product, remember to keep it within 1 meter of your mobile device.

2.

- 1 If the earbuds fail to connect to your device, they will remain in search mode for three minutes before powering off. To try again, place the earbuds in the Charging case, keep the lid open, and press the multi-function button at the bottom for 4 seconds until the status indicator displays blue running lights.

SET UP FOR MOBILE

Download the Razer Audio App to customize your earbuds' EQ settings, auto shutoff feature, gaming mode, and much more — anytime, anywhere.

- A. Download the mobile app on your mobile device.
- B. Launch the app and follow the onscreen instructions.

- 1 When using the Razer Audio app, ensure the earbuds are connected to your mobile device via Bluetooth.

B. VIA USB TYPE C WIRELESS DONGLE (2.4 GHZ)

C. VIA CHARGING CASE WITH USB TYPE C WIRELESS DONGLE (2.4 GHZ)

1 By default, the earbuds will first activate Bluetooth pairing mode before searching for the USB Type C wireless dongle.

On PC	Sound settings	Output > Razer Hammerhead V3 HyperSpeed Input > Razer Hammerhead V3 HyperSpeed
On PS5™ consoles	PS5 Settings > Sound	Audio Output > Output device > Razer Hammerhead V3 HyperSpeed Microphone > Input device > Razer Hammerhead V3 HyperSpeed

1 When using the earbuds with compatible devices, set the Razer Hammerhead V3 HyperSpeed as the default input and output device (if applicable).

1 Make sure to test and adjust the microphone sensitivity under your PS5's sound settings.

PERSONALIZE YOUR PC EXPERIENCE

Use the Razer Synapse app to customize your earbuds' EQ, enable audio enhancements, and fine-tune other advanced features. Install Razer Synapse when prompted, or download the installer from razer.com/synapse

ACTIVATE THX® SPATIAL AUDIO*

Unleash the full potential of your Razer Hammerhead V3 HyperSpeed by enabling 360° positional audio for a natural and lifelike experience through Razer Synapse.

*Only available on Windows® 11 and above.

USING YOUR EARBUDS

SWITCH BETWEEN AUDIO SOURCES

1 For best performance, keep your earbuds within a very close distance of each audio source.

UTILIZING THE ACTIVE NOISE CANCELLATION (ANC)

1 Due to individuals' different ear canal sizes, it's recommended to interchange the ear-tips to a larger or smaller size to improve comfort and sound quality and achieve a proper seal.

SAFETY AND MAINTENANCE

SAFETY GUIDELINES

To achieve maximum safety while using your Razer Hammerhead V3 HyperSpeed, we suggest that you adopt the following guidelines: Should you have trouble operating the device properly and troubleshooting does not work, unplug the device and contact the Razer hotline or go to support.razer.com for assistance.

Do not take apart the device, and do not attempt to operate it under abnormal current loads. Doing so will void your warranty.

Operate the device only within the specific temperature range of 0 °C (32 °F) to 40 °C (104 °F). Should the temperature exceed this range, unplug and/or switch off the device to let the temperature stabilize to an optimal level.

Your earbuds isolate external ambient sounds even at low volumes, resulting in lowered awareness of your external surroundings. Please remove the earbuds when engaging in activities that require active awareness of your surroundings.

Listening to excessively loud volumes over extended periods can damage your hearing. Furthermore, legislation of certain countries permits a maximum sound level of 86dB to affect your hearing for 8 hours a day. We, therefore, recommend that you reduce the volume to a comfortable level when listening for prolonged periods. Please, take good care of your hearing.

MAINTENANCE AND USE

The Razer Hammerhead V3 HyperSpeed requires minimal maintenance to keep it in optimum condition. Once a month, we recommend you clean it using a soft cloth or cotton swab to prevent dirt buildup. Do not use soap or harsh cleaning agents.

FRANÇAIS SÉCURITÉ ET ENTRETIEN CONSIGNES DE SÉCURITÉ

Afin d'utiliser vos Razer Hammerhead V3 HyperSpeed dans des conditions de sécurité optimales, nous vous recommandons de suivre les consignes suivantes :

Si vous avez des difficultés à utiliser correctement l'appareil et que le dépannage ne fonctionne pas, débranchez l'appareil et contactez le service d'assistance téléphonique de Razer ou rendez-vous sur support.razer.com pour obtenir de l'aide.

Ne démontez pas l'appareil et n'essayez pas de le faire fonctionner avec une charge de courant anormale. Cela annulera votre garantie.

Faites fonctionner l'appareil uniquement à une température comprise entre 0 °C et 40 °C. Si la température dépasse ces limites, éteignez et/ou débranchez l'appareil pour laisser la température se stabiliser à un degré optimal.

Vos écouteurs isolent les sons ambiants externes même à un volume peu élevé, ce qui réduit la perception de votre environnement externe. Veuillez retirer les écouteurs lorsque vous entreprenez une activité qui nécessite une perception active de votre environnement.

L'écoute prolongée à un volume élevé peut endommager votre audition. Par ailleurs, la législation de certains pays stipule qu'une exposition de 86 dB pendant plus de 8 heures par jour est nocive. Nous vous recommandons par conséquent de réduire le volume à un niveau confortable lors d'une écoute prolongée. Prenez soin de votre audition.

ENTRETIEN ET UTILISATION

Le Razer Hammerhead V3 HyperSpeed nécessite un minimum d'entretien pour le conserver dans un état de fonctionnement optimal. Une fois par mois, nous vous recommandons de les nettoyer avec un chiffon doux ou un coton-tige pour empêcher les dépôts de saleté. N'utilisez pas de savon ou de produits nettoyants agressifs.

ESPAÑOL SEGURIDAD Y MANTENIMIENTO NORMAS DE SEGURIDAD

Para alcanzar la máxima seguridad al usar los Razer Hammerhead V3 HyperSpeed, te sugerimos las siguientes medidas:

Si tuvieras algún problema para utilizar el dispositivo correctamente y las indicaciones de la resolución de problemas no dieran resultado, desconecta el dispositivo y llama a la línea de atención al cliente de Razer o accede a support.razer.com para solicitar asistencia.

No desmontes el dispositivo y no intentes hacerlo funcionar en circunstancias anormales. Hacerlo anulará la garantía.

El dispositivo debe funcionar dentro del rango específico de temperaturas de 0 °C a 40 °C. Si la temperatura supera ese rango, desenchufa o apaga el dispositivo para dejar que la temperatura se estabilice hasta un nivel óptimo.

Los auriculares aíslan el ruido ambiente externo incluso usando un volumen bajo, lo que puede resultar en una conciencia disminuida del entorno. No utilices los auriculares cuando realices actividades que exijan prestar atención al entorno.

La reproducción de sonido a un volumen excesivamente alto durante periodos prolongados de tiempo puede dañar tu audición. Además, la legislación de algunos países permite un nivel máximo de sonido de 86 dB sobre tu audición durante 8 horas al día. Por lo tanto, recomendamos que reduzcas el volumen a un nivel cómodo cuando oigas audio durante largos periodos. Cuida tu audición.

USO Y MANTENIMIENTO

Para mantenerse en buenas condiciones, los Razer Hammerhead V3 HyperSpeed requieren un mantenimiento mínimo. Para evitar la acumulación de suciedad, recomendamos limpiarlos con un paño suave o un hisopo de algodón una vez al mes. No uses jabón ni productos de limpieza agresivos.

DEUTSCH SICHERHEIT UND WARTUNG SICHERHEITRICHTLINIEN

Um die größtmögliche Sicherheit bei der Benutzung deines Razer Hammerhead V3 HyperSpeed zu gewährleisten, empfehlen wir die Einhaltung der folgenden Richtlinien:

Solltest du Probleme beim normalen Einsatz des Produkts haben und die Fehlerbehebung schafft keine Abhilfe, wende dich an der Razer Hotline. Hilfe findest du auch unter support.razer.com.

Nimm das Produkt nicht auseinander und benutze es nicht mit abweichender Stromspannung. Deine Garantie würde sonst erlöschen.

Betriebe das Produkt nur innerhalb eines Temperaturbereichs von 0 °C bis 40 °C. Sollte die Temperatur außerhalb dieses Bereichs liegen, trenne das Produkt von der Stromversorgung und/oder schalte es aus, bis die Temperatur sich wieder auf ein geeignetes Maß eingeegelt hat.

Deine Ohrhörer unterdrücken Umgebungsgeräusche schon bei niedriger Lautstärke, weshalb du deine Umgebung deutlich schlechter wahrnimmst. Bitte nimm die Ohrhörer aus deinen Ohren, wenn du etwas unternehmen möchtest, bei dem du deine Umgebung wahrnehmen können musst.

Wenn du dein Gehör über längere Zeiträume hinweg extrem hohen Lautstärken aussetzt, kann dies zu Hörschäden führen. Zudem sind in einigen Staaten maximal 86 dB für 8 Stunden am Tag zulässig. Wir empfehlen daher, die Lautstärke auf ein vertretbares Niveau zu senken, wenn du über einen längeren Zeitraum dein Headset verwenden möchtest. Bitte pass gut auf dein Gehör auf.

WARTUNG UND BENUTZUNG

Dein Razer Hammerhead V3 HyperSpeed benötigt nur ein geringes Ausmaß an Wartung, um in einem optimalen Zustand zu bleiben. Wir empfehlen, ihn einmal monatlich mit einem weichen Tuch oder einem Wattestäbchen zu

reinigen, um das Ansammeln von Schmutz zu vermeiden. Verwende keine Seife oder aggressive Reinigungsmittel.

ITALIANO SICUREZZA E MANUTENZIONE LINEE GUIDA PER LA SICUREZZA

Per utilizzare Razer Hammerhead V3 HyperSpeed nella massima sicurezza, ti consigliamo di attenerci alle seguenti linee guida: Se utilizzando il dispositivo si verificano problemi non risolvibili consultando la sezione di diagnosi/risoluzione problemi del Manuale, ti consigliamo di scollegare il dispositivo e chiamare l'Assistenza telefonica di Razer o di accedere al sito support.razer.com per ulteriore assistenza.

Non smontare il dispositivo e non tentare di ripararlo o di farlo funzionare con una tensione di alimentazione diversa da quella prevista. Questa operazione invalida automaticamente la garanzia.

Fai funzionare il dispositivo solo all'interno dell'intervallo di temperatura specifico: da 0 °C a 40 °C. Se la temperatura è al di fuori di questo intervallo, spegni e/o scollega il dispositivo per far stabilizzare la temperatura a livello ottimale.

I tuoi auricolari isolano totalmente dai rumori ambientali esterni, anche regolando le cuffie su volumi bassi, diminuendo la percezione dell'ambiente circostante. Si raccomanda di rimuovere gli auricolari quando si svolgono attività che richiedono l'interazione e piena attenzione all'ambiente circostante.

L'ascolto a volume elevato per lunghi periodi di tempo può danneggiare il tuo udito. Inoltre, le normative di alcuni paesi stabiliscono un limite massimo di pressione sonora pari a 86 dB nell'arco di una giornata di 8 ore. Di conseguenza, consigliamo di abbassare il volume a un livello accettabile quando si ascolta dell'audio per periodi di tempo prolungati. L'udito va protetto.

MANUTENZIONE E USO

I Razer Hammerhead V3 HyperSpeed richiedono una manutenzione minima per mantenerli in condizioni ottimali. Una volta al mese consigliamo di pulirli usando un panno morbido o un bastoncino di cotone per impedire l'accumulo di sporco. Non usare sapone o detersivi aggressivi.

PORTUGUÊS MANUTENÇÃO E MANUTENÇÃO ORIENTAÇÕES DE SEGURANÇA

Para obter a máxima segurança durante o uso do Razer Hammerhead V3 HyperSpeed, sugerimos que você siga as orientações abaixo: Se tiver problemas ao usar o dispositivo adequadamente e a solução de problemas não for suficiente para resolvê-los, desconecte o dispositivo e entre em contato com a linha direta da Razer ou visite support.razer.com para receber assistência.

Não desmonte o dispositivo nem tente operá-lo sob condições anormais de corrente. Se fizer isso, sua garantia será anulada.

Só opere o dispositivo dentro da faixa específica de temperatura de 0 °C a 40 °C. Se a temperatura exceder essa faixa, desligue e/ou desconecte o dispositivo para que a temperatura se estabilize em um nível ideal.

Os fones de ouvido isolam sons do ambiente externo mesmo em volumes baixos, o que resulta em uma menor percepção dos ambientes ao seu redor. Remova os earbuds quando se envolver em atividades que exijam uma percepção ativa do ambiente.

Ouvir volumes excessivamente altos por períodos longos de tempo pode prejudicar a audição. Além disso, na legislação de certos países, o limite máximo de exposição sonora é de 8 horas por dia a 86 dB. Portanto, recomendamos que você reduza o volume para um nível confortável ao ouvir por períodos prolongados. Cuide bem de sua audição.

REGULATORY AND COMPLIANCE INFORMATION

FCC DECLARATION OF CONFORMANCE

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and he receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio TV technician for help. For more information, refer to the online help system on razer.com.

FCC CAUTION STATEMENT

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

FCC RF Exposure Information (SAR)

Specific Absorption Rate (SAR) refers to the rate at which the body absorbs RF energy. This equipment has been tested and meets applicable limits for radio frequency (RF) exposure. During testing, device radios are set to their highest transmission levels and placed in positions that simulate use near the head, with 0mm separation. Accessories with metal parts may change the RF performance of the device and use such accessories should be avoided. The SAR limit is 1.6 W/kg over 1 gram of tissue in US.

AUSTRALIAN CONSUMER LAW COMPLIANCE

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. Please refer to razer.com/warranty for further details.

THE FOLLOWING LIMITED WARRANTY ONLY APPLIES TO AUSTRALIA

Limited Warranty. Razer warrants the Product to be free from defects in materials and workmanship (subject to the terms set forth herein) when used normally in accordance with the official documentation for the applicable Warranty Period from the date of retail purchase. If the Product is, or contains, a rechargeable battery, Razer does not provide any warranties for the battery life, as all rechargeable batteries can be expected to lose charging capacity over time and this is not considered a defect. Your actual battery life will vary depending on the conditions in which it is used.

Limited Warranty Period. You are eligible for limited warranty support for the following periods of time commencing upon the date of retail purchase of your Product ("Warranty Period"):

Razer Headsets, Earphones and Earbuds	2 Years
---------------------------------------	---------

All new Products will have the Warranty Periods

listed above, subject to local law. Certain "end of life", sell out or discontinued Products may have a shorter Warranty Period; this will be clearly marked at the time of purchase and the given Warranty Period will be stated at that time. Factory Refurbished Products will have a Warranty Period of 90 days. If you are uncertain whether your Product is eligible for Limited Warranty support, please contact our support team for clarification here.

Exclusions and Limitations. This Limited Warranty does not cover:

- (a) software, including (without limitation), (i) the operating system and software added to the Razer-branded hardware products through our factory-integration system, (ii) thirdparty software, or (iii) the reloading of software, software configurations or any data files;
- (b) non-Razer branded products and accessories, even if packaged and sold with the Product; problems with and/or damage to the Product caused by using non-Razer accessories, parts, or components;
- (c) damage caused by service (including upgrades and expansions) performed by anyone who is not officially acting as an employee, representative or sub-contractor of Razer;
- (d) claims arising from any unacceptable use or care of the Product, including (without limitation) misuse, abuse, negligence, unauthorized modification or repair, unauthorized commercial use or any operation of the Product outside Razer's recommended parameters;
- (e) claims arising from external causes, including (without limitation), accidents, acts of God, liquid contact, fire or earthquake;
- (f) Products with a serial number or date stamp that has been altered, obliterated or removed;

- (g) Products for which Razer will not receive payment; or
- (h) cosmetic damage and normal wear and tear, including (without limitation), scratches, dents and chips. Razer does not warrant that the operation of the Product will be uninterrupted or error-free.

Remedies under this Limited Warranty. The benefits to the consumer given by this Limited Warranty are in addition to other rights and remedies of the consumer under a law in relation to the goods or services to which this Limited Warranty relates. If an eligible claim on the Limited Warranty is received by Razer within the applicable Warranty Period, Razer will (at its sole option) either: (a) repair the Product or the defective parts at no charge, using new or refurbished replacement parts; (b) provide online Razer Store vouchers of a value equivalent to the retail purchase price of the Product; or (c) exchange the Product with a Product that is new or which has been manufactured from new or serviceable used parts and is at least functionally equivalent to the original Product. Goods presented for repair may be replaced by refurbished goods of the same type rather than being repaired. Refurbished parts may be used to repair the goods. Razer reserves the sole right to determine whether a claim is eligible and/or whether the Product is defective. Where the Product is an "end of life" Product model, Razer may (at its sole option) exchange the Product with a functionally equivalent substitute model from Razer's current Product range. Razer has the sole option to provide any other type of remedy in addition to or in substitution of the aforesaid remedies. Repaired or exchanged Products shall be warranted free from defects for a period of ninety (90) days after date of repair or exchange (as the case may be), or for the remainder of the original Warranty Period, whichever is longer.

Remedies under Australian Consumer Law. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Entire Limited Warranty. No Razer supplier, dealer, agent, or employee is authorized to alter or extend the terms of this Limited Warranty or to make any representation whatsoever. Razer reserves the right to amend the terms of this Limited Warranty at any time without notice. **Help Resources.** Before lodging a claim on the Limited Warranty, please review the online help resources at support.razer.com. If the Product is still not functioning properly after making use of these resources, please contact Razer through support.razer.com or your authorized distributor or dealer. You may be required to assist with the diagnosis process to verify and ascertain any issues which you may be facing with the Product. Service options, parts availability and response times may vary depending on the country in which the Limited Warranty claim is lodged.

How to make a Limited Warranty claim. IF YOU PURCHASED THE PRODUCT FROM A RAZER RESELLER, PLEASE CONTACT THE RAZER RESELLER IN REGARDS TO YOUR LIMITED WARRANTY CLAIM. If you are unable to return the Product to the Razer reseller for whatever reason, or if you have purchased the Product directly from Razer at razer.com, then please follow the steps below:

- a. Go to support.razer.com/contact-support to obtain a Return Merchandise Authorization Number ("RMA Number").

- b. Note the RMA Number in a visible place on the outside of the Product's package.
- c. Enclose a Valid Proof of Purchase inside the Product's package. Please visit razer.com/warranty for examples of a Valid Proof of Purchase.

Attention: Technical Support Department
[Please note your RMA number here]
Razer SEA HQ
1 one-north Crescent #02-01,
Singapore 138538

DO NOT SEND RAZER ANY PRODUCT WITHOUT A VALID RMA NUMBER.

We advise that you select a method of shipping that is traceable (eg. UPS, DHL, FedEx). Any expense of claiming under this Limited Warranty will be borne by the person making the claim (including any shipping and handling charges in returning the Product to Razer, as well as any applicable customs, duties or taxes in relation to the claim). If the Product is validly returned under the terms of this Limited Warranty, Razer will be responsible for postage expenses for shipping the Product back to you (but not any customs charges, duties, or taxes). You are responsible for ensuring that the Product is properly packaged and will bear the full risk of loss or damage for any Product that is returned improperly packaged. Risk of loss or damage in the returned Product only passes to Razer when the Product is received by Razer and Razer shall not be responsible for items lost in transit to us. In the event that the procedure herein is not followed, Razer reserves the right to accept the delivery of the Product on such terms that it may determine at its sole discretion.

Returns Not Covered by this Limited Warranty. If Razer receives a Product from you that does not meet the requirements of this Limited Warranty, including (but not

limited to) a Product that (a) lacks a valid is not accompanied by a valid Proof of Purchase, (c) is no longer covered under the Warranty Period, or (d) does not have a defect covered by this Limited Warranty, you may be responsible for an assessment fee, return shipping and handling fees, and other reasonable fees as may be required by Razer prior to the Product being returned to you.

Software/Data Backup. Repair of the Product may result in loss of data. It is solely your responsibility to complete a backup of all existing data, software, and programs on the Product before returning the Product or receiving technical assistance services from Razer (including telephone support). RAZER WILL HAVE NO LIABILITY FOR LOSS OF OR RECOVERY OF DATA, SOFTWARE, PROGRAMS, OR LOSS OF USE OF PRODUCT(S). Under no circumstances will Razer be responsible for any loss of data, software, or programs, even if Razer technicians have attempted to assist you with your backup, recovery or similar services. Any such assistance is beyond the scope of this Limited Warranty. Following service under this Limited Warranty, your Product may be returned to you as configured when originally purchased, subject to applicable updates. You will be responsible for reinstalling all other data, software and programs.

General. This Limited Warranty applies only to the original purchaser of the Product and is non-transferable. This Limited Warranty is only valid in Australia. No Razer reseller, agent, distributor, or employee is authorized to make any modification, extension or addition to this Limited Warranty. If any term of this Limited Warranty is held to be illegal or unenforceable, the legality or enforceability of the remaining terms shall not be affected or impaired.
