## PORTABLE AIR CONDITIONER

|                         |                                                        |
|-------------------------|--------------------------------------------------------|
| Model                   | Artic-160                                              |
| Cooling capacity        | 7000BTU/2000W                                          |
| Rated Voltage/Frequency | 220-240V~ / 50Hz                                       |
| Cooling Input Power     | 750W / 3.4A                                            |
| Suction Side Pressure   | 1.2MPa                                                 |
| Discharge Side Pressure | 2.5MPa                                                 |
| Sound/Pressure Level    | L <sub>PA</sub> : 54dB(A)<br>L <sub>WA</sub> : 65dB(A) |
| Refrigerant/Charge      | R290 / 135g                                            |
| Net Weight              | 19.5kg                                                 |
| Electrical Protection   | Class I                                                |
